

# Writing Family History With AI

A Hands On AI Assisted Writing Workshop

Write Your Family Story – Make It Part of Cupertino’s History!

## ABOUT OUR WORKSHOP

Come explore using AI as a tool to help your writing with Ron Chan, Executive Director of Bay Area Chinese Genealogy Group.

## TOPIC HIGHLIGHTS

- Learn the essentials of using AI as your personalized writing assistant
- Practical techniques to deepen your understanding of storytelling

*Please bring your laptop, limited number of laptops are available for checkout at the library.*
