A Message from the City Manager

Hello Neighbors,

I am so glad I was able to see some of you at the Holiday Tree Lighting last week. It was great to gather and light up Cupertino. In this edition, you'll also find highlights of the City's recent recognition from the Metropolitan Transportation Commission for our smooth, well-maintained streets, an achievement we can all take pride in. With winter weather upon us, we've included helpful reminders and resources to help you stay safe and prepared. You'll also find the recorded video from our Coyote Community Meeting, aimed with tips and advice for how to help residents safely coexist with our local wildlife.

As the holiday season settles in, I find myself reflecting with gratitude on our community and the meaningful work we do together. I am proud of the work staff have accomplished over the past six months. Thank you for being part of it.

Lastly, I encourage you all to Shop Local this holiday season and support our local businesses.

Thank you for your continued engagement and partnership. I wish you and your loved ones a warm, joyful, and peaceful holiday season.
