CITY MANAGER'S

WEEKLY LETTER TO COUNCIL

Mayor Liang Chao
Vice Mayor Kitty Moore
Councilmember JR Fruen
Councilmember Sheila Mohan
Councilmember R "Ray" Wang

Dear City Council,

I hope this message finds you well. We're hitting pause on our usual newsletter to bring you something special:

Cupertino turns 70 years-young today! Throughout the month, everyone can enjoy a variety of events and activities that honor the City's history, from our first Restaurant Week to a community-wide Puzzle Hunt and the celebration on October 29 recognizing CREST winners, Commissioners and the anniversary of our city's incorporation. Today, residents who come to City Hall will receive a free pencil and sticker and can snap a selfie in front of our special Cupertino 70th anniversary backdrop. For more information about the month's activities, [click here](#).

It was great spending time with some of you this week at the League of Cities Conference. More updates to come next week. Wishing you a great weekend!

WARM REGARDS,

Tina Kapoor
