Pick-Up and Drop-Off Instructions

In order to keep all road users safe, do not impede traffic by parking or idling in the bike or car travel lanes while waiting to drop off or pick up your student. If the drop off circle is full, please do not wait in the middle of Blaney Avenue. Instead, either go and park in the neighborhood to wait, or circle around the block (airport-style) until there is space to safely and completely enter the drop-off loop. Follow the suggested circle route below.

(Blaney → Forest → Plum Tree Lane → Merritt → Blaney)
